

POUS 2025/26

3rd Call for Presentation Proposal

SCIENTIFIC CONFERENCE

POUS 2026 – Projektowanie Oprogramowania Urządzeń i Systemów Kontrolno-Pomiarowych
Design of Software for Devices and Measurement & Control Systems 2026

The goal of the conference is to present cooperation among universities and industry with emphasize of current trends of software design for devices and measurement & control systems. It allows for exchange of experience between device and software producers along with system integrators and prototype constructors.

23rd April 2026

RZESZÓW UNIVERSITY OF TECHNOLOGY
ul. WINCENTEGO POLA 2, 35-021 Rzeszów, POLAND

Presentations will take place along with other events on Faculty Electrical and Computer Engineering. Proposal of the topics please send to **jsad@prz.edu.pl**.

Organizer

RZESZÓW UNIVERSITY OF TECHNOLOGY, Faculty Electrical and Computer Engineering, Department of Computer and Control Engineering

For authors Conference is mostly composed of presentations, but articles may be also provided. The template for articles is available at **https://pous25.kia.prz.edu.pl**.

Topics Conference topics are listed below, but are not limited to:

- software engineering,
- cooperation between universities and industry,
- teaching of the computer science, automation and control,
- AI in teaching – threats and perspectives,
- CPDev current applications and future work.

Presentations Presentations should be provided to organizers before conference in form of .ppt, .pptx, or .pdf file. There is no limit for number of slides, but presentation time will be limited. Abstracts and presentations will be included in conference materials and delivered to speakers in later time. Full papers may be also provided, formatted according to specified template. They will be printed in Advances in IT and Electrical Engineering journal.

Fees There is no conference fee for accepted speakers. Also we do not refund accommodation nor transportation payment.

Conference Committee

- Leszek Trybus – honorary member,
- Zbigniew Świder,
- Jan Sadolewski – head,
- Bartosz Trybus,
- Marcin Bednarek.

Organizing Committee

- Jan Sadolewski – head,
- Mariusz Oszust,
- Bartosz Trybus,
- Andrzej Stec,
- Małgorzata Sosnowska,
- Mateusz Sikora.

Important dates

- 28.03.2026 – abstract submission,
- 10.04.2026 – author notification,
- 18.04.2026 – final presentation submission (and article, if applicable),
- 20.04.2026 – publication of conference program,
- 22.04.2026 – conference date.

Contact For any questions regarding the conference, presentations, articles, etc, please contact with Jan Sadolewski (jsad@prz.edu.pl).
